

City of La Verne

HOMELESS PLAN FACT SHEET

Measure H and the County Homeless Initiative

The Basics:

- Measure H is a ¼ cent sales tax increase approved in March 2017
- Estimated to generate \$355 million annually for 10 years
- Sales tax increase will fund Homeless Initiative Strategies
- Strategies are dedicated to preventing & combating homelessness
- 47 cities throughout LA County are drafting Homeless Plans
- The City is developing a Homeless Plan, which will identify the strategies best suited for La Verne

The Homeless Plan for the City of La Verne must include:

- Comprehensive assessment of homelessness in La Verne
- Survey of available resources to address the challenge
- Identification of opportunities for City and County collaboration
- Methods for implementation of identified strategies
- Goals with supporting actions, associated policy changes, measurement, ownership, leveraged resources and timeline
- Alignment with the County Plan

Strategy Categories:

1. Prevention
2. Subsidize Housing
3. Increase Income
4. Case Mgmt. & Services
5. Coordinated System
6. Affordable Housing
